

FEDERAL ENERGY REGULATORY COMMISSION
WASHINGTON, DC 20426

**ASSOCIATED
PUBLIC UTILITY**

April 21, 2016

OFFICE OF THE CHAIRMAN

**The Honorable Kirsten Gillibrand
United States Senate
Washington, D.C. 20515**

Dear Senator Gillibrand:

Thank you for your March 22, 2016, letter regarding Arlington Storage Company, LLC's (Arlington) Gallery 2 Expansion Project at its Seneca Lake Storage Project, located in Schuylar County, New York (Docket No. CP13-83-000).

You request an additional public comment period based on Arlington's January 28, 2016, request for a two year extension to place its facilities into service. Although we do not plan to formally open a public comment period, our decision whether to grant Arlington's request will also address the numerous comments that were filed in response to the extension request. We encourage you and your constituents to continue to express your concerns and file any comments or any material that you believe will help us consider this matter.

I hope this information has been helpful. If I can be of any further assistance in this or any other Commission matter, please let me know.

Sincerely,

**Norman C. Bay
Chairman**
